

OUR DISTRICT

About Us

Founded in 1856 with the first city-built school known as the Sale School, the Green Bay Area Public School District is more than 150 years old. We are a school district rich in traditions from the East and West High Schools football rivalry to the home of City Stadium (the original football field of the Green Bay Packers).

Our culturally diverse school district is comprised of 42 schools that serve more than 18,000 students. With a mission to educate every child to be college, career and community ready, the district offers a variety of programming to meet all students' needs.
